

Uniform and Kit Requirements

For your practical sessions you will be required to purchase and wear the set uniform for your course and you will also need some essential items of equipment. You will be able to purchase these via www.ucb-kickstart.co.uk. The good news is we offer help towards the cost of these through **The Kick-Start Scheme**.

The Kick-Start Scheme provides all new UK students, studying a full-time undergraduate course, with £300 funds at the start of the year. Eligible students with an assessed household income below £25,000 will receive a further £500 at the start of semester 2 (i.e. February). These funds do not need to be paid back and can be used at www.ucb-kickstart.co.uk (to order your uniform and equipment) and at selected on-campus purchases. Further details about The Kick-Start Scheme can be found here: www.ucb.ac.uk/kickstart

It is important that you order your required resources as soon as you have enrolled. The earlier you place the order the more likely it is that that your items will arrive in time for your first practical session.

Further information on how to order the kit and uniform for your course will be made available closer to the enrolment period.
