Please note that hours per week are an average across term time tuition, and may vary across the weeks.

Where there is a choice of online or face to face teaching, students will be given a deadline to make the decision on whether to study online or face to face during online enrolment. After that deadline, swapping between online and face to face teaching may not be possible, though we will try to accommodate changes where we can.

Are there any changes to the content of the course, compared with what was agreed previously?

None

Are there any changes to the assessment methods we are using?

Practical Exam may be replaced by coursework for Destination Management.

Are there any changes to previously advertised field trips, placements, enrichment activities or other external activities?

It is doubtful the planned trip to Cheltenham which is linked to the Destination Management module in Semester one will go ahead. We will offer alternative online activities to cover the same material.

Trip in both Semesters which is linked to the International Research Project module is planned to take place but this depends on restrictions at the time. (Feb starters in S1 and Sept starters in S2).

When might what is set out above change?

We intend to use the teaching methods set out above for the whole of Semester 1 of the 2020-21 academic year.

If there are more severe restrictions on movement or gatherings as a result of changed government guidance (e.g. in the event of another wave of Coronavirus), teaching that is planned to be on campus may have to be moved online. In that instance all of the face-to-face teaching for your course would be online until restrictions are lifted.

At the moment we intend that semester 2 teaching will be on campus and face-to-face for all students on this course, although we will continue to make use of our extensive online resources to supplement on-campus teaching. However, if restrictions on movement or group size continue, we would need to continue to offer your course in a blended way, in a similar pattern to that described above. We will let you know as soon as possible if we think that is likely to happen, but decisions may need to be taken at short notice where we are obliged to act on changes to national or local advice.
