Childcare and Dependents

Add your children / dependents

At the start of the academic year, learners aged **under 20 on the 31st August** who have a child that needs childcare while they attend college can receive assistance through **Care to Learn**

For more information on the Governments Care to Learn scheme [click here.](#)

IMPORTANT - All students requiring childcare will need to apply through the College and this can be done by following the process below:

The screenshot shows the 'UCB Financial Support' application interface. The main heading is 'Financial Support Application'. Below it, the section is titled 'Childcare and Dependents'. A message states: 'Your age indicates that you may be eligible for help with childcare. We need to know firstly if you have any children. Telling us that you have children does not automatically make you eligible for support. There are further questions to answer which will confirm whether you are eligible for help with childcare. If you do not have any children please ignore this and just click on the Next button below'. Below this, instructions say: 'If you have any children please provide the names of your dependents and their dates of birth. You may add up to six children. Enter the details for each child at a time. Once you have entered the first and last names and date of birth, click on the Add Dependent button to add your child to the list. You can also change the details of a saved dependent by clicking on the Edit button next to the dependents name and then clicking the Save Dependent button which will appear when you click the Edit button. To remove a dependent from the list, click on Remove next to the dependents details'. There are input fields for 'Forename', 'Lastname', and 'Date of Birth'. Below these is an 'Add Dependent' button. A table with columns 'Name' and 'DOB' is shown, with a message 'No dependent information stored yet'. At the bottom, there are '<< Back' and 'Next >>' buttons.

If you are 20+ and need childcare support

On this page you will need to add the names of your children and their dates of birth. You can add up to six children. **Please be aware that UCB can only provide childcare funding for a maximum of 2 children.**
