

Teaching in Semester 1 2020

Programme – BA (Hons) and FdA Sports Management

Level of Study – 4

Teaching pattern in 2020-21 academic year:

Module number	Module Name	Module Credits	Compulsory/Optional Module	Lectures	Practicals	Seminars and small group teaching	Other teaching e.g. tutorials
TBC – new module – revalidation	Brand U	30	compulsory	2hr/wk online		2hr/wk face to face	
TBC – as above	Sport in society research	30	compulsory	2hr/wk online		2hr/wk face to face	
N/A	Individual tutorial	N/a	Compulsory			Min1 per semester – face to face option for online	
N/A	Graduate advantage	N/A	Compulsory			1hr/wk face to face or online	

Please note that hours per week are an average across term time tuition, and may vary across the weeks.

Where there is a choice of online or face to face teaching, students will be given a deadline to make the decision on whether to study online or face to face during online enrolment. After that deadline, swapping between online and face to face teaching may not be possible, though we will try to accommodate changes where we can.

Are there any changes to the content of the course, compared with what was agreed previously?

Newly revalidated course, minor changes to delivery order to allow for blended approach.

Are there any changes to the assessment methods we are using?

Assessments will be the same or very similar i.e. online submission of presentation rather than live presentation, where appropriate.

Are there any changes to previously advertised field trips, placements, enrichment activities or other external activities?

Students would usually undertake an outdoor adventure residential early in the academic year, this has been placed on hold until restrictions allow a visit of this nature, students will still be able to complete their assessments, etc. Students are encouraged to take part in work placements from year 1 onwards, this will need to be reflective of the restrictions in place and the impact on the industry currently.

When might what is set out above change?

We intend to use the teaching methods set out above for the whole of Semester 1 of the 2020-21 academic year.

If there are more severe restrictions on movement or gatherings as a result of changed government guidance (e.g. in the event of another wave of Coronavirus), teaching that is planned to be on campus may have to be moved online. In that instance all of the face-to-face teaching for your course would be online until restrictions are lifted.

At the moment we intend that semester 2 teaching will be on campus and face-to-face for all students on this course, although we will continue to make use of our extensive online resources to supplement on-campus teaching. However, if restrictions on movement or group size continue, we would need to continue to offer your course in a blended way, in a similar pattern to that described above. We will let you know as soon as possible if we think that is likely to happen, but decisions may need to be taken at short notice where we are obliged to act on changes to national or local advice.
