

Year 1 BSc Nursing (Adult)

Uniform Requirements

For your practical sessions you will be required to purchase and wear the set uniform for this course. You will be able to purchase this via www.ucb-kickstart.co.uk. The good news is we offer help towards the cost through **The Kick-Start Scheme**.

The Kick-Start Scheme provides all new UK students, studying a full-time undergraduate course, with £300 funds at the start of the year. Eligible students with an assessed household income below £25,000 will receive a further £500 at the start of semester 2 (i.e. February). These funds do not need to be paid back and can be used at www.ucb-kickstart.co.uk (to order your uniform and equipment) and at selected on-campus purchases. Further details about The Kick-Start Scheme can be found here: www.ucb.ac.uk/kickstart

Once fully enrolled, you will receive an email to your UCB email account confirming your Kick-Start funds have been awarded. You can access your UCB email through the U@UCB app or by going to portal.ucb.ac.uk. You will become fully enrolled only after **Monday 6th September**.

During your induction, your tutor will provide further information on how you can order the uniform you need. It is important that you order your required uniform once you are instructed to do so. The earlier you place the order the more likely it is that that your uniform will arrive in time for your first practical session.

For any questions about ordering the resources for your course please email:
customer.service@ucb-kickstart.co.uk

For questions about your eligibility for Kick-Start please email:
kickstart@ucb.ac.uk

Electronic device

As a **Year 1** Nursing (Adult) student, UCB will be providing you with an electronic tablet to use to support you with your studies inside and outside of the classroom and whilst on placement. This is your own personal device. You will be provided with further information on how you can receive this soon after you have enrolled. You will use your tablet on placement as it will provide access to your practice assessment document which is required to log your experiences and proficiencies whilst engaging in learning and practice on placement. Full training on using the EPAD (Electric Practice Assessment Document) and how to access it through the tablet will be given to you prior to your first placement.
