Year 2 BA/FdA BSc/FdSc

How do I access my Kick-Start funds?

If you are a UK student progressing to the second year of your BA/FdA or BSc/FdSc course, then you will receive up to £300 Kick-Start funds once you are fully enrolled. UK students with a household income of below £25,000 will be entitled to a further £500 at the start of second semester (i.e. September if you are February starter).

These funds do not need to be paid back and can be used at www.ucb-kickstart.co.uk to order resources such as books, laptops, stationery and anything else that you may need. You can also use your Kick-Start card to spend some of these funds on selected on-campus purchases such as food and drink. Further details about The Kick-Start Scheme can be found here: www.ucb.ac.uk/kickstart

You can view the suggested resources for your course here:

The great news is, these funds do not need to be paid back!

How do I become fully enrolled?

Once you are fully enrolled, you will receive an email to your UCB email account to let you know that your Kick-Start funds have been awarded. You will become fully enrolled only after Monday 9th February.

To help ensure that there is no delay in your Kick-Start funds being awarded, please attend your course induction sessions and swipe your student ID card to enter campus.
