

Hospitality Tourism Management and Kick-Start

Uniform and Kit Requirements

For the practical sessions you will be undertaking, you will be required to wear appropriate uniform and have various items of equipment (a list can be found at the end of this information sheet). The good news is that there is help towards the cost of purchasing this kit and uniform through **The Kick-Start Scheme**.

The Kick-Start Scheme provides all new, Home (generally speaking this means UK) and EU students, studying a full-time undergraduate course with £300 funds at the start of the year. UK students with a household income of below £25,000 will be entitled to a further £500 at the start of semester 2 (i.e. February). These funds, which do not need to be paid back, can be used at www.ucb-kickstart.co.uk (to order your uniform and equipment) and also on selected on-campus purchases. Further details about The Kick-Start Scheme can be found here: www.ucb.ac.uk/kickstart

Kick-Start funds will be awarded automatically to all eligible students – you do not need to apply for this separately. Once your enrolment has been completed you will receive a message to your UCB email account confirming that your funds have been released.

Further information on how to order the kit and uniform for your course will be made available closer to the enrolment period.

Enrolment

Enrolment will be open from **Thursday 3rd September**. It is important that you order your kit and uniform soon after you enrol. This will ensure that that you receive what you need in time for the kitchen sessions.

Compulsory Uniform and Kit Items

Making sure you are prepared

In advance of purchasing your kit and uniform you may wish to establish which size you will need. You can view the kit and equipment and size guide by visiting www.ucb-kickstart.co.uk and following the appropriate links (on the Russums website the username is **ucbstudent** and the password is **zsdf220**) – but don't forget you don't need to order your kit/uniform just yet – you can use your Kick-Start funds once you have enrolled to buy your items.
