# WHAT WE CAN OFFER YOU...

## AT BIRMINGHAM CITY FOOTBALL CLUB COMMUNITY TRUST WE BELIEVE IN A HOLISTIC INDIVIDUAL DEVELOPMENT PROGRAMME.

This is reflected in our football program, where we work to each individuals needs and long term ambitions as well as striving for success within the team environment. We offer a full time study programme alongside the support of UEFA licenced coaches, our medical professionals, sports and conditioning staff, elite training facilities and football analysis equipment (Veo software).

We believe that our program now has everything in place to help players make substantial progress in the game. We also understand that the development pathway will look different for all our students, which is the reason we have worked to build solid links with local non league 1st team football clubs, American scholarship scouts and managers and university staff.

# AND THIS IS WHAT THE STUDENTS SAY...

The FEP program is a brilliant way for pupils just leaving school to stay involved in football and education. If you want to be a part of a brilliant football club where you are playing football full time as well as earning qualifications then the FEP at Birmingham City Community Trust is where you want to be. Local to Birmingham, this is the best ran course there is.

**LOUIS JONES**

When leaving school I wasn't sure what I wanted to do but I knew I wanted to work within the football industry. I really wanted to play football as it is a passion of mine and thats when I found the FEP at BCFC Community Trust. What better way is there than studying a sport you love and also represent a professional football club and in the EFL leagues against clubs such as Aston Villa, West Brom, Derby County etc. On the course i learnt many new topics including sports coaching, sports analysis, anatomy and physiology.

Studying this course opened up my pathway and gave me many more ideas as to what to do when finishing the course. The teachers and coaches at BCFC are outstanding with lot of knowledge and experience. Not only that they support you in many ways whether thats on the pitch or in the classroom.
