WAYS TO CONNECT WITH US FOR CAREERS, EMPLOYABILITY, PLACEMENTS AND APPRENTICESHIPS

We support students and alumni to build a successful future by bringing them together with employers to create shared success.

WORK EXPERIENCE AND PLACEMENTS

Access fresh ideas and talent – build the skills you need in your future workforce.

APPRENTICESHIPS

A great way to develop a well-trained workforce.

RAISE YOUR BRAND

Raise your corporate profile – be the employer that attracts the best candidates.

UNITEMPS RECRUITMENT SERVICE

Find well-qualified staff for full-time, part-time, permanent and temporary vacancies.

WORK EXPERIENCE AND PLACEMENTS

From 2 weeks to 1 year, we can match the right students to the opportunity you have on offer.

BENEFITING YOU

- » Discover the brightest talent within the next generation. Tap into the skills and enthusiasm of our students and graduates.
- » Influence the quality and improve the work-readiness of students hoping to work in your industry.
- » Gather first-hand experience of how the latest educational ideas are shaping the future of your industry.
- » Develop vital management and mentoring skills within your own team.
- » Raise the profile of your organisation among the next generation of graduate employees
- » Showcase the wide range of careers within your organisation or industry.
- » Input into curriculum development.

BENEFITING STUDENTS

- » Work experience broadens their education and enables them to put theory into practice.
- » Gives students a better understanding of how their skills, knowledge and behaviours apply to the real world.
- » Improves job readiness and employability skills.

CONNECT WITH THE NEXT
GENERATION OF EMPLOYEES

ELEVATE YOUR BRAND

The more our students know about you, the more likely they are to choose you as an employer.

EMPLOYER IN THE FOYER

We regularly invite employers to meet students and promote vacancies. We generate interest by promoting your visit across campus.

EMPLOYER PRESENTATIONS

We can provide regular opportunities for employers to be guest speakers within lectures or to address wider student groups.

CAREERS FAIRS

We hold an annual careers fair for graduate level jobs. For attending employers, it's a chance to talk directly to students about graduate jobs and schemes.

LIVE PROJECTS

Why not set our students a real business challenge? You will be surprised by what they come up with. Their thoughts, their approach and their solutions could set you on a completely different path. At the very least, it will raise your profile among the students you want to attract.

RAISE YOUR PROFILE AMONG FUTURE EMPLOYEES

APPRENTICESHIPS

UNIVERSITY
COLLEGE
BIRMINGHAM | CENTRE FOR
APPRENTICESHIPS

With an apprenticeship you can develop your own in-house talent in partnership with a leading educational institution.

An apprenticeship is a paid job with a contract of employment, learning agreement and commitment statement. An apprentice gets first-class training that's practical, up-to-date, business-oriented, and matches your day-to-day needs.

An apprenticeship is for any organisation of any size that wants to invest in its future and is committed to developing employees.

IT WILL HELP TO:

- » Nurture the skills your business needs.
- » Bring in new ideas, skills and energy to your business.
- » Improve your competitiveness.
- » Improve staff retention – investing in apprentices creates loyalty and long-term commitment.
- » Promotes you as a business that invests for the future and welcomes new opportunities.
